Professor, Department of Sociology was invited as a chief guest for the program. The program began by lighting Jyothi with floral tribute to the portrait of S R Ranganathan. . The guest addressed that Books plays dominant role in everyone's life. Education is the first priority of the society. So without books, education is incomplete. So library can have better books and it's open for use to the society. So that the entire society can be educated through the libraries, where the people can sit in the library and go through the books according to their interest. It's possible only in library. Without a library no colleges or schools are good enough. This is the only place where one can get all sorts of information which will be helpful for his/her carrier.</p>
